

OUR DIRECT SOLUTIONS

LLYNCH

DIRECT SOLUTIONS

The principle is simply to make hiring equipment as easy as possible & more convenient for our customers

Direct Solutions is dedicated to meeting all your equipment hire needs, no matter where you are in the UK. Whether it's equipment that falls outside our usual range or items required in areas we don't typically cover, we've got you covered.

Thanks to our national agreements and preferential rates with hundreds of suppliers throughout the UK, we offer competitive pricing and pass on significant savings directly to you.

Experience the ease and convenience of working with **Direct Solutions.**
